

HAPPENINGS AROUND THE REGION

On the 07th of NOV 2014 the Western Region Director traveled to the Painted Rock Chapter at Ft Irwin California to attend the chapter meeting. During the meeting the Director talked about how to standardize chapter operations, retain chapter members and recruit new members. Chapter minutes were a big topic of discussion. CW3 Jackson was given a going away gift by the chapter members. CW3 Jackson is the 3rd person on the right kneeling.

CW3 Jackson had some very good words for his fellow chapter members. I am sure that he will be missed.
